THE COURTYARD BAR

Welcome to The Courtyard Bar at Carton House, A Fairmont Managed Hotel, an exquisite welcoming space that perfectly fuses the natural beauty of one of the finest estate courtyards in Ireland, with the elegant refinement of our iconic resort interiors.

Originally the kitchen courtyard for The House, the very best of local artisan produce came into the service-entrance of The House right here, before being prepared and served to some of Ireland's finest gentry on behalf of the FitzGerald family. A bake house and brewery for the estate also looked onto this courtyard. The bustle of everyday life has echoed through these courtyard walls for centuries.

Today like yesteryear, The Courtyard Bar remains a treasure trove of activity and atmosphere for our guests. Relax and indulge in our specially curated drinks menus, as you sit and savour the dichotomy of this special place.

Where outside meets in, where old meets new, where day turns to night with a graceful ease, this is a truly unique place at Carton to be savoured time and time again.
