Our diverse team work together to create an inclusive and positive culture.  
Gender equality is valued and we are committed to equality for all.*

We understand our people are critical to the success of our business, our key focus is team culture and team wellbeing. We have invested time and resources into our people through training and development, improved team facilities, social events and additional employee benefits. Our Talent & Culture team support and assist our people by utilising both internal and external resources.

Our Accor staff engagement survey score increased by 13 percentage points on 2021 and in December 2022 we achieved GPTW (Great Places to Work) certification. Our aim is to continue to grow our team, attract and retain a skilled diverse workforce through progression, development and by offering excellent employee benefits.

We will monitor the KPI's in this report and we are committed to reducing the gender gap in the future by identifying key areas that this report has highlighted.

# Gender Pay Gap Report Overview

Whilst this report has identified key findings, it is a snapshot taken on a particular date in time.

We continue to make progress to further reduce the gender pay gap.

We will continue to monitor, improve and close this gap along with attracting more women into the hospitality sector, in particular in traditional male dominated roles and departments, which attract higher rates of pay.

We as an employer are committed to gender balance and ensuring developing there is no gender pay gap.

# Introduction

The gender pay gap is the difference in the average hourly wage of men and women across a workforce. The Gender Pay Gap Information Act 2021 requires organisations to report on their hourly gender pay gap across a range of metrics. The Regulations which set out the detail on how these calculations will be made are published at the link below:

[The Employment Equality Act 1998 \(Section 20A\)\(Gender Pay Gap Information\) Regulations 2022](#)
