Rules to be observed by the Marquis of Kildare

He must carefully see, that the plate be well Washed that all the grease be washed off and 2nd to have warm water ready with a Brush for that purpose spoons and forks are to be washed in the same careful not to have any of the Table Knives or D water, as it loosens the blades.

When there is grease on the Handles of the Table little more warm water got with a brush and a knives are scoured, holding two of them at a time in the soap and water very fast, and to wipe the whitened. All Plate whatsoever that is smeared very well in warm water with a Brush and Soap, before it is whitened. He must take care to h

Nothing to be put off till tomorrow done today. The Clerk who resides at follow his Directions in every thing and or lose time, if he does, those mentioned to be acquainted with it.

No waste to be allowed or anything to want of care, and to act as if it was for way to perform and get everything proper to be regular and not to do any thing but World may know it, for once that any that Lord or Lady Kildare is not acquainted should be displeased if known, he in the power of others, and then all out and not to be got again.

*A 10% service charge will be applied to your final bill.*

RESTAURANT NOVEMBER 1764

# WELCOME

## The KITCHEN HANDBOOK Original Recipes

Located in the old servant's kitchens, the setting retains many original features - including the vast cast iron stoves of the 1700s - which give the restaurant it's unique character.

With all of this and much, much more - the food was sourced organically and much of the produce was from local markets, from cheeses and charcuterie to fresh handmade pasta and organic sourdough. Kathleen's Kitchen invites you to explore its varied delights, and perhaps discover something new.

This was once a place of bustling activity, controlled chaos and unrivalled culinary skill.
