Embark on a sensory adventure that transcends borders with our Wines from the World tasting experience. From the sun-kissed vineyards of Tuscany to the hidden gems of Australia and South America, each glass tells the story of its unique terroir and craftsmanship.

During this tasting, you'll explore the distinctive flavours, aromas, and traditions that define wines from iconic regions, as well as uncover exciting varietals from emerging winemaking countries

New vs old world wines

95

Step into the fascinating world of wine as we explore the dynamic contrasts between New World and Old World wines. This experience will deepen your understanding of how geography, culture, and climate shape the character of every glass. Whether you're a devoted traditionalist, an adventurous modernist, or somewhere in between, this tasting promises to ignite your palate and expand your appreciation for both worlds.

Old world beauty wines

150

Immerse yourself in the timeless elegance of Old World wines with our curated tasting experience, Old World Beauty. This event pays homage to the rich heritage and meticulous craftsmanship that define the historic winemaking regions of Europe. As you sip, you'll uncover the unique expressions of terroir, the intricate balance of flavors, and the stories woven into each vineyard and vintage. Savor a selection of exceptional wines from iconic appellations embodying the finesse and complexity that only centuries-old traditions can produce.

Each experience is serving 3 glasses of wine per person and a charcuterie and cheese board.

A 10% service charge will be applied to your final bill.
